What! Is that face for!?
Ugh, don't come!

Next time?
So it's ok to come again then?

You made it out alive this time.
Be careful
Oi, brat

You too
Yeah

This is...
Lon-don!

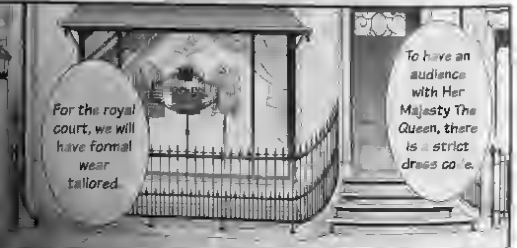
You two,
Got it!
Huh!?
Speak-ing German here will be suspi-cious.
From now on, please speak in English.
This is what Victoria is ruling over...
The country that does not sink the sun's capital city...

But, if that's the case, I can strictly teach you at the manor
Then, do what you are able to
She is can speak English fine, but I can't speak it at all...
A week?
Isn't that a little too soon..?
I want to show my face in a week.
Well, I think Her Majesty The Queen is expecting us
This is an order, Sebastian.
Let's train this gamine in the next week until she is ready.
If that's the case, is there anything I can do?
You can trust me to do it!

Well then!
Yes, My Lord

CITY OF

First, to get a dress.
Have a safe trip!

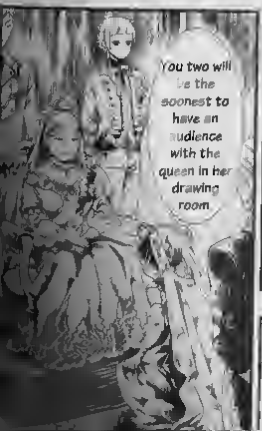


For the royal court, we will have formal wear tailored.
To have an audience with Her Majesty The Queen, there is a strict dress code.

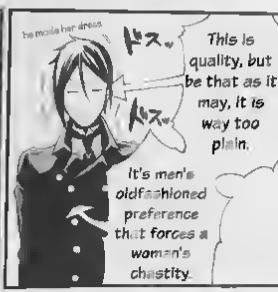
Thank you for coming in
Welcome to
Hoppkins The Tailor
It has been a while.
We are here to request some clothing.
!?
!?
テテテテ

I FEEL THE PRE-SENCE OF A YOUNG MAN
As sharp as ever, aren't you, Miss Hoppkins...
Meg! I wonder who it is!
Augus-ta!
Ah!
Well well! Long time no see, Earl!
It's so rare for you to come to the shop!
Wha-!?
As usual, it's refreshing to an extent to ignore you.

Certainly you wouldn't have any clothing for summer.
I see...
Because she doesn't have any other clothing... how many can we request?
Be-sides ...
Well, Earl, who is this young lady?
She has become my guest that I must look after.

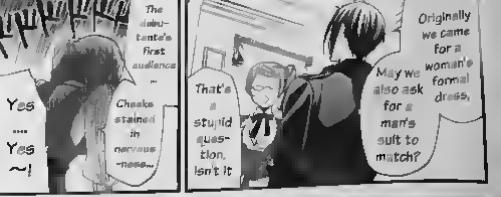


You two will be the soonest to have an audience with the queen in her drawing room.



he moves her dress.
ドス。
ドス。
This is quality, but be that as it may, it is way too plain.
It's men's oldfashioned preference that forces a woman's chastity.

huh?
It was because it was an emergency ...



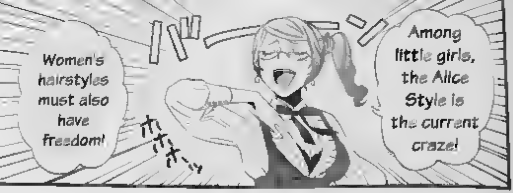
The debutante's first audience—
Yes ... Yes ~!
Cheeks stained in nervous -rose-
That's a stupid question, isn't it
Originally we came for a woman's formal dress,
May we also ask for a man's suit to match?

THE FOUNTAIN OF MY IMAGINATION IS OVER-FLOWING!
I'VE GOT IT!
The hair feathers and veil will be gorgeous!
I wonder if a satin embroidered train is okay
For the court's dress pure white is regulation!
A long petticoat full of silk lace
Do I want to use emerald or diamond accessories?

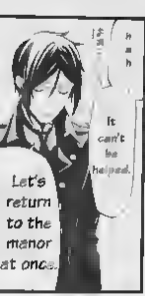
Not wavering
She is really...
Oh!
Well Young Lady, this way!
Meg and Augusta take the remaining measurments
Excuse the mess!
A lot of the choir's dressing orders just came in
Now what color should your everyday wear be, huh...

Hey...
Can I ask a favor...?
This clothing is alright, don't you think?
Next is,
Thanks for waiting!
It is a relief that Miss Sullivan's hair is long enough at this point
The ladies that are granted an audence with The Queen have the social rule of wearing their hair up

Young La-!!
What happen-ed to your hair!?
Now the maid can live her life and not worry about my hair!
It's a fresh start!
How does it look? Does it suit me?
Yeah, you smell nice
I think you mean "look" nice
but the social rule~

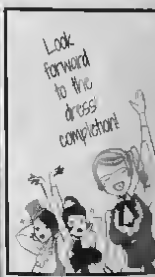


Women's hairstyles must also have freedom!
Among little girls, the Alice Style is the current craze!



Let's return to the manor at once.
It can't be helped.
hmh

Do we really need to do this, Mister Hard-head?
Even if it is fashion-able you should have respected social rule to an extent



Look forward to the dress competition!

Why didn't you invite me!!
Ciel!! You went to Germany !?
Welcome home, everyone!
No! It's not like that!
Concubine, huh... Now I get it, that's why you brought me...
Moreover, I can't think of why you would bring back a new concubine.
Everyone must be tired after the long trip
I will prepare afternoon tea immediately.
Anyway, Ciel's guest is my guest!
Let's request a banquet, Agni.
Jo Agya!

Today's tea is Higgins Earl Grey.
It has been prepared with orange almond cake and berry tart.
This also seems yummy!
Ok, then I'll just...
Alright, stop
Ow!!

"This seems yummy" etc. is poor language and can not be used!
You can not touch sugar with your bare hands!
It is preposterous to reach out for cake before it has been recommended.
Wha-?
Young Lady...
Your beneficial lesson to attend Her Majesty The Queen's tea meeting has already begun.
Until you can do this well, you have to wait.
Th-That's-!
The beginning is tea party manners
If she needs to become a fine lady a week from now

WHA-
By all means, complain to me in English.
That way, I will actually listen to you.
Over cake!
Oi, you! The Young Lady is crying!
Mister Wolfram,
Yeah! He's being scary to the poor lady.
Ciel ~ Say something!
Do your best.
If we spoil her she won't improve

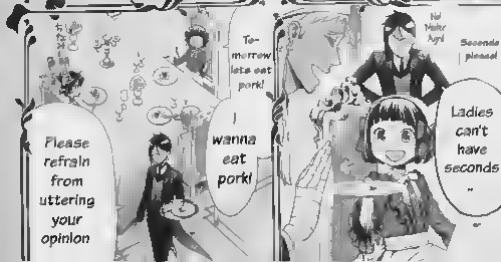
With more elegance!
That's a mouth-full!
Don't make noise while drinking soup!
ズズ…



Please refrain from uttering your opinion
I wanna eat pork!
Tomorrow lets eat pork!
Ha! Make Ayni
Seconds please!
Ladies can't have seconds..

Oi, YOU, THE YOUNG LA-
Ok, in English
You can go back to the village if you want
I'm more restricted here than back in the village!
It's red
What color is your blood!?

Then go
That's enough! I don't need to rely on you!
What ?
Don't rely on-
SLAM
What do you want
Oh ...

I'm busy
I leave her to you
And not be productive because of her grumbling
At least hear what she has to say
Indeed
Mister Wolfram, please support her.
On the occasion of meeting with Her Majesty, it is essential that you curtsy

Draw back your chin so your teeth do not show when smiling
Keep it up!
HOW DO YOU DO YOUR MAJESTY
ぽんっ
Well, that's good However the pronunciation is a bit of a problem, isn't it
Ah, that's it

If you do it well, we shall have a break

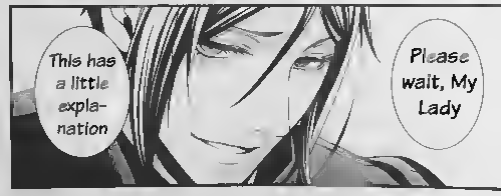
What is with him!! My helpless mouth has been forcibly spread!

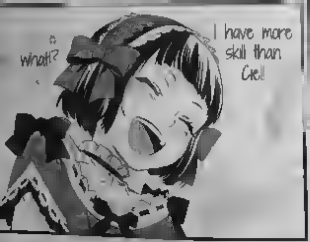
Let's pla-
I GET IT NOW...
YOU'RE IN GERMANY YOU SAID
The story is,
Ah, No, Lizzy, this is,



This has a little explanation
Please wait, My Lady

Now I know that I jumped to a conclusion
How embarrasing!
What was that!!
It's fine...
I'm sorry!
The confrontation with the tank was less life threatening
But Cia!!
Your friend's strict lessons are cruel!
H-Huh ?
Me?
No! No!
As usual, it's because you don't understand the feelings of young ladies!
That's it!
I-I see....
Those painful lessons would become fun with encouragement with everyone!

matters my between man and woman.
Why do I ...
We are, of course, friends right??
B-Bu-
sounds fun!
Yeah, that's good!
Today let's all do it toge-ther!
Huh!?
This will be great
The Queen's drawing room is every English girl's dream!
I want to go with you
Together we will work hard to become lovely young ladies right?
Oh...
Y-Yes



What is thaaat

aahaha

well, next it's my turn!

TIRED

I was when I was alone

I introduced you to Ciel-sama's shirt!?
Anyway, what was that all about?
Lizzy's scolding was thorough

Why don't you become slightly more kind?
As I said,

It is cruel to wish that upon others
Because your intuition is different than other humans
Now you're giving me cold blooded treatment ?
I don't mean to speak ill of you
If you are someone of high standing
But you should think of other's feelings more

You say that but you don't understand human emotions
If ordered, you would do anything, no matter how cruel, like a beast.
hah
My, that's quite harsh, isn't it?
But I still intend to be a faithful and obedient butler to my master
Hah!
But you don't want me speaking ill of others
